

Testimonial for magician Michael Bourada

Shell Canada Brockville location chose Michael Bourada to perform his magic show for our Family Christmas party on Saturday December 8th 2012. We were looking for quality entertainment and found Michael's website online with fantastic reviews and decided to contact with interest.

Michael's magic show was very entertaining and of professional caliber. The children loved the show and Michael involved the audience in each and every illusion. The feedback I received from all of the participants was very positive and the show was a great success.

Michael provided us with a very professional and entertaining experience from start to finish. I would highly recommend Michael to anyone looking for high quality entertainment in the future.

Regards,

Ed Visser
